The bar code seen opposite is very plain consequently the layout is to be redesigned for a Children's Party Pack. The new layout must reflect a party atmosphere although the bars of the bar codes must be presented exactly as seen opposite.

A selection of party images are seen below. These will help you design the new layout to the bar code although you can use your own images. You are to produce two designs for the new bar code layout in spaces 1 and 2 seen at the bottom of the page. Include colour and shade.
