The art movement called Art Deco developed its own style of writing (font). This is distinctive by the contrasting broadness and thinness of parts of the same letter, with the colour being black (See examples opposite and below).

The letters A, B, C, D, E, F, G, H are written in the font/writing style called Ariel. The second row shows some of the same letters written in the Art Deco style. Complete the Art Deco style for letters E, F, G, and H.
