1. Copyright aims to protect people and organisations, against what?

2. Although it is not necessary to use the copyright symbol, Why is it a good idea to use the symbol and also a date?

3. Copyright Law covers many areas. Name some:

4. Describe a situation whereby it would be advisable to copyright work.

5. Describe a simple way of proving ownership of a piece of work, without the need of a copyright symbol.

6. Use the internet to research the term 'copyright'. In the space below, explain what it means.

7. Use the internet to research the term 'copyright infringement'. In the space below describe a real life case of copyright infringement.
