CYLINDERS - DEVELOPMENTS / NETS

V.Ryan © 2010 World Association of Technology Teachers

1. An incomplete development / net of a cylinder is drawn below. Complete the net / development.

2. Describe one advantage of using this shape of development / net to package a product.

3. What do you like or dislike about the development / net?

4. List a range of products that are packaged in nets / developments such as the one above.

5. Search the internet for images of packaging based on a cylinder. Paste a selection of the images you find in the space below.
