# USING A CARD TEMPLATE

V.Ryan © 2012 World Association of Technology Teachers

1. Why is a card template sometimes used when wood turning?

---

---

---

2. The rectangle below represents a piece of card. Draw the shape of the template required, to help turn the table leg. Shade the waste card. The first part of the template has been drawn for you.

3. A card template is drawn below. Draw the shape of the completed piece of turned work. The first part of the finished product has been drawn for you.
