PACKAGING TO PROMOTE FIREWORK SAFETY FOR CHILDREN

A supermarket chain has developed a fruit juice drink for children. The drinks container is shown opposite.

In the space below and on the next page, develop a design for the packaging. **The packaging must promote firework safety for children. Do not add decorative detail on this sheet.**

Marks will be given for:

A creative / imaginative packaging design.

Explanation of selected materials and construction techniques
Colour scheme, decoration and images, applied to the packaging.
How well the packaging promotes firework safety for children.
