THE OFFICIAL JACKET

V.Ryan © 2009 World Association of Technology Teachers

Official merchandise always has the emblem of the Olympic Games and the City / Countries emblem. Each Olympic Games has thousands of official helpers and track officials. You are to select your best emblem design and apply to the pocket on the uniform jacket seen below. Add colour and shade top the jacket but remember this should complement the colours in the emblem / logo. You may need to alter your emblem / logo design to fit the available space on the pocket.
