HOW TO BE SUCCESSFUL IN LIFE - WORKING WELL IN CLASS!

Working hard in class, concentrating and listening carefully to the teacher will help you learn. Also, when you take your examinations you will be more successful and gain better grades. This will help you start the career you really want. People who are not successful in examinations and do not work hard normally end up in jobs that they would rather not do - poorly paid jobs that can be boring and have no future.

1. List all the subjects you take in school and explain one aspect that you like about each.

HOW LEARNING CAN BE DAMAGED

2. How does the behaviour of some pupils affect the learning of the entire class. Alongside the prompts (words) explain how each makes it difficult to learn.

PROMPT	HOW IT AFFECTS LEARNING
TALKING AND SHOUTING OUT.	
DISTRACTING OTHERS.	
FIDGETING.	
MAKING OTHERS LAUGH.	
TURNING AROUND IN YOUR CHAIR AND FACING THE WRONG WAY.	
NOT LISTENING.	

In this space write how you can help learning in the classroom. For example, being quiet and listening.
