FAMILY FRIENDS QUALITY OF LIFE GIVING RATHER THAN RECEIVING

2. Imagine that you have just won millions of pounds on the lottery. List ten items/products that you would buy, that you currently do not own.

3. Select one of the items/products listed above. Explain why you feel this item/product is important.

4. Do you think **all** rich people are happy with the way they are or with their lives? Explain your answer. Remember, rich people can have tragedy in their lives, feel badly about themselves, just the same as ordinary people. Remember, a happy person is not necessarily a wealthy person.

MONEY AND WEALTH

Design the house of your dreams.

You are to design the front of a house. Your design could represent the type of house you would buy if you had millions of pounds to spend. Two examples are shown below. You could base your house design on one of these or you may wish to search the internet to find more examples, before you design your own house.

Your drawing can be simple or detailed depending on your drawing ability. Add a list of rooms and facilities.
