# TYPICAL EXAMINATION QUESTIONS

V.Ryan © 2012 World Association of Technology Teachers

Learner drivers must clearly display a learner plate when driving with an instructor. These plates are manufactured in large numbers through a process called batch production.

1. Describe / explain the design requirements for Learner driver plates.

---

---

---

---

---

---

---

---

2. Explain what is meant by the term batch manufacture, with reference to one graphic product.

---

---

---

---

---

3. The red 'L' is applied to the white vinyl, forming the 'L' plate. Name a printing process, suitable for the mass production of the Learner Driver 'L' plate.

---

4. Sketch the process you have named in question 3. Add explanatory notes.
