£82.00

This reading light is manufactured from chrome steel and has a flexible 'goose neck', which allows for adjustment. It is a typical desk top light, ideal for an office situation or for the home. It has a heavy base that ensures that it is stable in most positions. An LED cluster provides the focussed light.

LED TASKLIGHT

MATERIALS: Name suitable materials for the manufacture the task light shown above. Explain your selection.

STRENGTH AND STABILITY: Does the task light unit look strong and stable? Is it likely to last many years / decades? Explain your answer.

AESTHETICS AND STYLE: What do think of the way the task light looks?

FUNCTIONALITY: What do you think of the functionality of the task light?
