TEAMWORK - QUESTIONS

1. Why is a design team often the most effective way of problem solving and designing a product?

2. Explain some of the skills that you would expect to develop, through working as a member of a team, rather than as an individual.

3. What is the role / purpose of the focus group member of a design team?

4. What skills / experience would you bring to design team, composed of members from your class?
