

WOOD BASED - REMOTE CONTROL ORGANISER

This is a natural wood based organiser. It is capable of storing a number of remote controls as well as other useful and associated items such as spectacles, scissors etc...

It is lightweight and easy to carry as it has a handle.

It is manufactured in a range of 'woods' included pine, oak and mahogany.

MATERIALS Name suitable materials, that would be suitable for the manufacture and **FINISH:** the remote control organiser seen above.

STRENGTH AND STABILITY: Does the organiser look strong? Likely to last many years / decades? Explain your answer.

AESTHETICS AND STYLE: What do think of the way the storage unit looks?

FUNCTIONALITY: Describe all the functions of the storage unit.
