

DESIGN SPECIFICATION REMOTE CONTROL ORGANISER

Design Specification.

1. Write three design requirements of a remote control organiser. Include an explanation for each of your requirements.

Example:

Requirement: The remote control organiser should be designed/manufactured, to hold a range of different sizes.

Explanation: Remote controls for different electronic equipment are never the same size. They vary in size and their shapes differ slightly.

REQUIREMENT 1: _____

EXPLANATION: _____

REQUIREMENT 2: _____

EXPLANATION: _____

REQUIREMENT 3: _____
