# WRITING STYLE - FUN STYLE

The style of writing seen below has been developed to create the feeling of 'fun'. The style could be used, as the style of writing for the fantasy paper character you have created.

Create a suitable fun / fantasy name for your character.

In box 1 - draw / design the outline version (rough version) of your style of writing, applying it to the name of your character.

In box 2 - Draw our design accurately and add a suitable colour scheme.
