V.Ryan © 2009 World Association of Technology Teachers

In the two boxes below, design two emblems to represent the 2012 London Olympic games. Add notes to explain each design. Remember there are four restrictions;

1. You must include the Olympic rings, keeping their original colours.
2. You must include a symbol that clearly represents the country in which the Olympics are to take place.
3. You must include a symbol that represents the City to host the Olympic Games.
4. The style of writing must reflect the country hosting the Olympics.
