The 'Symbols Exercise' can be printed and used by teachers and students. It is recommended that you view the website section 'Graphics' (www.technologystudent.com) before attempting the design sheet .

SYMBOLS SEEN IN HAWAII

The following symbols were seen on the Paradise Islands of Hawaii, in the South Pacific. The islands are an attraction for tourists from around the world. Many of the symbols highlight dangers, for example, strong sea currents and other serious dangers. As many visitors are not native islanders or English speakers it is important that the symbols are easily understood.
