WHAT IS REMOTE MANUFACTURING?
A PRODUCT IS DESIGNED IN ONE COUNTRY AND MANUFACTURED IN OTHER COUNTRIES.

1. AUTHOR WRITES BOOK
The Author (in the UK) writes the book and saves all the text in electronic form.

2. GRAPHIC DESIGNER PLANS THE LAYOUT
The Graphic Designer plans the layout of all the pages and the graphics/photographs.

3. AUTHOR READS FINAL DRAFT
The Author reads the final draft of the book. Agrees that it is ready for printing.

4. BOOK TRANSFERRED ELECTRONICALLY TO PRINTERS
The book is in electronic format. It is transferred via the internet to the printers in Hong Kong.

5. MODERN EFFICIENT PRINTING TECHNIQUES USED TO PRINT A BATCH OF FIVE THOUSAND FIRST EDITION BOOKS. (HONG KONG PRINTERS)

6. THE BOOKS ARE PLACED IN A CONTAINER AND SHIPPED BACK TO THE UK FOR DISTRIBUTION AND SALE IN THE SHOPS
