V.Ryan © 2009 World Association of Technology Teachers

You are to prepare a presentation in which you will explain a product of your choice. It is important that you work in teams and each person must play a role in the presentation. Use the outline below to plan the presentation and in particular the roles played by each person in the design team.

<p>1. List the names of the people in your design team.</p>	<p>2. List the equipment / materials required to carry out the presentation</p>
<p>3. List, in order, all the stages.</p>	<p>4. Which member(s) of the design team are responsible for each stage ?</p>
